## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

### **Industry Structure and Development**

The Financial year 2020-21 had been quite a challenging year for the Indian economy and particularly for the financial services sector. The continued uncertainties, volatile credit environment and slow economic growth created headwinds. The ongoing COVID-19 pandemic and subsequent lockdowns have impacted the businesses and aggravated the prevailing sectorial challenges.

Over the course of last year, vaccination drive raised hopes, whereas renewed waves and new virus variant continue to pose concern for the outlook. The continued spread of the COVID-19 pandemic and subsequent synchronized lockdown across major cities in India resulted in shrinking of the capital market lending business

### **Opportunities and Threats**

NBFCs have played an important role by providing funding to the unbanked sector by catering to the diverse financial needs of the customers. Further, such companies play a critical role in participating in the development of an economy by providing a fillip to transportation, employment generation, wealth creation, bank credit in rural segments and to support financially weaker sections of the society.

The second wave of COVID-19 and its potential impact has now raised questions on the economic growth and credit off take in India. Imposition of sudden lock downs / delay in vaccination program, could result in a deeper economic recession in near future posing threats for our lending business.

### **Segment-wise-Performance**

Your Company operates only single segment which is non-banking financial services (Granting/taking of loans and making Long term Investments).

### **Future Outlook**

Timely execution of Covid-19 vaccination drive, reasonable rebound in economic were indicators to pre-covid levels, unprecedented measures taken by nations across world to restore coronavirus-affected economy, improved corporate earnings have lead the markets scale new highs. The progression curve is expected to resume with public policy support and private participation. Reform measures have been made by RBI to ease out liquidity in the markets and to encourage credit inflows via NBFC, HFC, MFIs. The Company has taken into consideration the changes in the capital market and brokerage segment and is well prepared to overcome challenges and perform sustainably

### **Risk and concerns**

Tough competition, slow economic growth, rapid changing statutes and regulatory framework, etc. are the major risk areas in the Company's business. By using our experience, we hope to perform better in the year to come in spite of these risks.

### **Internal Control Systems & their Adequacy**

The Company had adequate internal control system commensurate with its size and nature of business. Your company's internal control procedures are adequate to ensure compliance with various policies, practices and statutes.

### **Financial & Operational Performance**

The Company has adopted IND AS for reporting financial results for the year under review. During the year under review, the Company's netted off loss of Rs. 3,60,62,038/- before tax (Previous Year Net Loss of Rs. 11,25,69,227/-) and net Comprehensive Income for the year after tax was at Rs. 3,93,65,414/- (Previous year the total Comprehensive Income of Rs. 94,80,43,095/-)

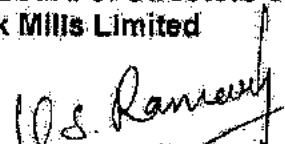

### **Human Resources and Industrial Relations**

The Company recognizes the importance of Human Resource as a key asset instrumental in its growth. The Company has well developed management information system giving daily, monthly and periodical information to the different levels of management. Such reports are being analyzed and effective steps are taken to control the efficiency, utilization, productivity and quality in the Company.

### INDEPENDENT AUDITOR'S REPORT

To the Members of  
**Kajal Synthetics and Silk Mills Limited**

**Report on the Audit of the Standalone Ind AS Financial Statements**

#### Opinion

We have audited the accompanying standalone Ind AS financial statements of Kajal Synthetics and Silk Mills Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the standalone Ind AS financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "standalone Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act, of the state of affairs of the Company as at March 31, 2021, its loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Act and Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone Ind AS financial statements.

## Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current year. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matters to be communicated in our report.

### Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Boards' Report including Annexures to the Boards' Report but does not include the standalone Ind AS financial statements, consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report the fact. We have nothing to report in this regard.

## **Responsibilities of Management for the Standalone Ind AS Financial Statements.**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this standalone Ind AS financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

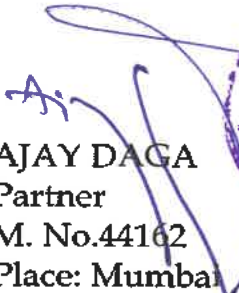

### **Report on Other Legal and Regulatory Requirements**

- (1) As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure 1", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (2) As required by section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account;
  - d. In our opinion, the aforesaid standalone Ind AS financial statements comply with the Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
  - e. On the basis of the written representations received from the directors as on March 31, 2021, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of section 164(2) of the Act;
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to the Standalone Ind AS Financial Statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this Report;

- g. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which could impact its financial position in its standalone Ind AS financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts. Hence, the question of any material foreseeable losses does not arise;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

### ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section in our Independent Auditor's Report of even date to the members of Kajal Synthetics and Silk Mills Limited on the standalone Ind AS financial statements for the year ended March 31, 2021]

Report on the Internal Financial Controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Kajal Synthetics and Silk Mills Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to the standalone Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to standalone Ind AS financial statements and their operating effectiveness.

Our audit of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these standalone Ind AS financial statements.

#### **Meaning of Internal Financial Controls over Financial Reporting with reference to Financial Statements**

A company's internal financial control with reference to standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to standalone Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## **Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to Standalone Ind AS Financial Statements**

Because of the inherent limitations of internal financial controls over financial reporting with reference to standalone Ind AS financial statements including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone Ind AS financial statements to future periods are subject to the risk that the internal financial controls over financial reporting with reference to standalone Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to standalone Ind AS financial statements and such internal financial controls over financial reporting with reference to these standalone Ind AS financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting with reference to these standalone Ind AS financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

**Notes to the Standalone Financial Statements as at and for the year ended March 31, 2021**

These notes form an integral part of and should be read in conjunction with the accompanying standalone financial statements.

**Corporate information**

Kajal Synthetics and Silk Mills Limited (the Company) is domiciled in India and is incorporated under the provisions of the Companies Act, 1956 having Corporate Identity Number L17110MH1985PLC035204. Its shares are listed on Bombay Stock Exchange in India. The Company is engaged in the activity of Finance & Investment. The principal place of business of the Company is at Sonawala, 1<sup>st</sup> Floor, 29, Bank Street, Mumbai, Maharashtra.

**1. BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of preparation of Standalone Financial Statements**

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act. These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below.

The Financial statements have been prepared on a going concern basis. The Company presents its balance sheet in order of Liquidity.

**B. KEY ACCOUNTING ESTIMATES AND JUDGEMENTS**

The preparation of the standalone financial statements requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates. The estimates and judgements used in preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

**CIN: L17110MH1985PLC035204**

**Notes to the Standalone Financial Statements as at and for the year ended March 31, 2021**

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in Division III of Schedule III to the Act applicable for NBFC. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows".

**SIGNIFICANT ACCOUNTING POLICIES**

**i. Cash and Cash Equivalents:**

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances and short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

**ii. Financial Instruments:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**Financial Assets**

**Initial recognition and measurement:**

The Company recognizes a financial asset in its Balance Sheet when it becomes party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are added to the fair value measured on initial recognition of financial asset. Where the fair value of a financial asset at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input). In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial asset.

**CIN: L17110MH1985PLC035204**

**Notes to the Standalone Financial Statements as at and for the year ended March 31, 2021**

**Subsequent measurement:**

Financial assets are subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) on the basis of both:

- the entity's business model for managing the financial assets, and
- the contractual cash flow characteristics of the financial assets.

**(a) Measured at amortised cost:**

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any, is recognised in the Statement of Profit and Loss. This category applies to cash and bank balances, loans and other financial assets of the Company. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

**(b) Measured at fair value through other comprehensive income:**

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any, are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

Further, the Company, through an irrevocable election at initial recognition, has measured investments in equity instruments other than investment in subsidiary at FVTOCI. The Company has made such election on an instrument by instrument basis. These equity instruments are neither held for trading nor are contingent consideration recognized under a business combination. Pursuant to such irrevocable election, subsequent changes in the fair value of such equity instruments are recognized in OCI. However, the Company recognizes dividend income from such instruments in the Statement of Profit and Loss. On derecognition of such financial assets, cumulative gain or loss previously recognized in OCI is not reclassified from the equity to Statement of Profit and Loss. However, the Company may transfer such cumulative gain or loss into retained earnings within equity.

**Notes to the Standalone Financial Statements as at and for the year ended March 31, 2021**

**(c) Measured at fair value through profit or loss:**

A financial asset is measured at FVTPL unless it is measured at amortized cost or at FVTOCI. This is a residual category applied to all other investments of the Company excluding investments in subsidiary. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognized in the Statement of Profit and Loss.

**Derecognition**

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

**Impairment of Financial Assets**

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances. The Company's ECL calculations are outputs of complex models with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL models that are considered accounting estimates include:

- The Company's criteria for assessing if there has been a significant increase in credit risk and so allowances for financial assets should be measured on a lifetime ECL basis and the qualitative assessment.
- The segmentation of financial assets when their ECL is assessed on a collective basis.
- Development of ECL models, including the various formulas and the choice of inputs.
- Determination of temporary adjustments as qualitative adjustment or overlays based on broad range of forward looking information as economic inputs.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

**CIN: L17110MH1985PLC035204**

**Notes to the Standalone Financial Statements as at and for the year ended March 31, 2021**

**Financial Liabilities:**

Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the fair value. Transaction costs that are directly attributable to the financial liabilities (other than financial liability at fair value through profit or loss) are deducted from the fair value measured on initial recognition of financial liability.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

**Derecognition**

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

**FAIR VALUE MEASUREMENT:**

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received on sell of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- in the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

**KAJAL SYNTHETICS AND SILK MILLS LIMITED**  
**CIN: L17110MH1985PLC035204**

**Notes to the Standalone Financial Statements as at and for the year ended March 31, 2021**

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2 – inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 – inputs that are unobservable for the asset or liability

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

**iii. Provisions, Contingent Liabilities and Contingent Assets:**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

**iv. Revenue Recognition:**

Revenue is recognised to the extent that it is probable that economic benefits will flow to the Company and that revenue can be reliably measured, regardless of when the payments is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding duties and taxes collected on behalf of the Government.

**KAJAL SYNTHETICS AND SILK MILLS LIMITED**  
**CIN: L17110MH1985PLC035204**

**Notes to the Standalone Financial Statements as at and for the year ended March 31, 2021**

The Company follows the prudential norms for income recognition and provides for / writes off Non-Performing Assets as per the prudential norms prescribed by the Reserve Bank of India or earlier as ascertained by the management.

**a. Dividend Income**

Income is recognized as and when the Company's rights to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

In case of interim dividend, the right to receive the payment is established, when the dividend gets approved by the Board of Directors.

In case of final dividend, the right to receive the payment is established, when the dividend gets approved by the shareholder's in the annual general meeting.

**b. Interest Income**

For all the debt instruments measured at amortized cost, interest income is recorded using effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to amortized cost of financial liability. When calculating EIR, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider expected credit losses.

**c. Other Operational Revenue**

Other operational revenue represents income earned from the activities incidental to the business and is recognized when the right to receive the income is established as per the terms of the contract.

**v. Expenditure:**

Expenses are accounted on accrual basis.

**KAJAL SYNTHETICS AND SILK MILLS LIMITED**

**CIN: L17110MH1985PLC035204**

**Notes to the Standalone Financial Statements as at and for the year ended March 31, 2021**

**vi. Income Taxes:**

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognized directly in equity or in other comprehensive income.

Current tax is the expected tax payable/receivable on the taxable income/loss for the year using applicable tax rates for the relevant period, and any adjustment to taxes in respect of previous years. Interest expenses and penalties, if any, related to income tax are included in finance cost and other expenses respectively. Interest Income, if any, related to income tax is included in other income.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off there cognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority

**vii. Earnings Per Share:**

Basic EPS is arrived at based on net profit after tax available to equity shareholders to the weighted average number of equity shares outstanding during the year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

**CIN: L17110MH1985PLC035204**

**Notes to the Standalone Financial Statements as at and for the year ended March 31, 2021**

**viii. Cash flow Statement**

Cash flows are reported using the indirect method where by the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

**ix. Investments in associates**

The Company measures investments in Equity instruments of associates at cost.

**x. Employee Benefits**

**Defined benefit plans**

For defined benefit plans, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling and the return on plan assets (excluding interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Past service cost, both vested and unvested, is recognised as an expense at the earlier of:

- (a) when the plan amendment or curtailment occurs; and
- (b) when the entity recognises related restructuring costs or termination benefits.

The retirement benefit obligations recognised in the balance sheet represents the present value of the defined benefit obligations reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and deductions in future contributions to the scheme.

The Company provides benefits such as gratuity to its employees which are treated as defined benefit plans.

**Short-term employee benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages etc. and the expected cost of ex-gratia are recognised in the period in which the employee renders the related service. A liability is recognised for the amount expected to be paid when there is a present legal or constructive

**KAJAL SYNTHETICS AND SILK MILLS LIMITED**  
**CIN: L17110MH1985PLC035204**

**Notes to the Standalone Financial Statements as at and for the year ended March 31, 2021**

obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

**xi. Borrowing Costs**

Borrowing costs include interest expense calculated using the effective interest rate method, other costs incurred in connection with borrowing of funds and exchange differences to the extent regarded as an adjustment to the interest costs. Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset (net of income earned on temporary deployment of funds) are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognised as an expense in the period in which they are incurred.

A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use or sale.

**xii. Segment Reporting - Identification of Segments**

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

**xiii. Use of Critical Estimates, Judgements and Assumptions**

The preparation of the financial statements requires the use of accounting estimates, which, by definition would seldom equal the actual results. Management also needs to exercise judgment and make certain assumptions in applying the Company's accounting policies and preparation of financial statements.

In the process of applying the Company's accounting policies, management has made the following judgments, which have most significant effect on the amounts recognised in the financial statement:

**KAJAL SYNTHETICS AND SILK MILLS LIMITED**  
**CIN: L17110MH1985PLC035204**

**Notes to the Standalone Financial Statements as at and for the year ended March 31, 2021**

**a. Estimation of Defined benefit obligations**

The cost of the defined benefit plans and the present value of the obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each financial year end.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans, the actuary considers the interest rates of government bonds. The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increase is based on expected future inflation rates.

**b. Estimated fair value of unlisted/listed but thinly traded securities**

The fair values of financial instruments that are not traded in an active market and cannot be measured based on quoted prices in active markets and financial instruments that are unquoted is determined based on generally accepted valuation technique of net worth criteria.

**Notes:**

**Capital Reserve :**

This reserve represents the amount received under Amnesty Scheme of 1991.

**Statutory Reserve :** Special reserve represents the reserve created pursuant to the Reserve Bank of India Act, 1934 (the "RBI Act"). Appropriation from this Reserve Fund is permitted only for the purposes specified by the RBI.

**General Reserve**

General Reserve is the amount of transfers from profit of the Company .

**Impairment Reserve**

Where impairment allowance under Ind AS 109 is lower than the provisioning required under IRACP (including standard asset provisioning), NBFCs are required to appropriate the difference from their net profit or loss after tax to a separate 'Impairment Reserve'. The balance in the 'Impairment Reserve' is not reckoned for regulatory capital. Further, no withdrawals are permitted from this reserve without prior permission from the Department of Supervision, RBI.

**Retained Earnings**

Retained Earnings are the profits the Company has earned till date less any transfers to general reserve, dividends , impairment reserve, other distributions paid to shareholders.

**Equity Instruments through Other Comprehensive Income :** This represents the cumulative gains and losses arising on the fair valuation of equity instruments measured at fair value through other comprehensive income. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are de-recognised.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

**Notes 23**

**B. Measurement of fair values**

**i) Valuation techniques and significant unobservable inputs:**

The carrying amounts of financial assets and liabilities which are at amortised cost are considered to be the same as their fair values as there is no material differences in the carrying values presented.

**ii) Financial instruments - fair value**

The fair value of financial instruments as referred to in note (A) above have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurement).

The categories used are as follows:

-Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

-Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. prices) or indirectly (i.e. derived from prices).

-Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

**iii) Transfers between levels I and II**

There has been no transfer in between level I and level II.

**iv) Valuation techniques**

**Investment in equity instruments**

The majority equity instruments held by the Company are actively traded on stock exchanges with readily available active prices on a regular basis. Such instruments are classified as level 1.

Investments in mutual Funds are valued as per the NAV prevailing at the end of the financial years and such investments are classified as level 1.

Equity investments in unquoted instruments and some quoted equity instruments which are not actively traded on stock exchanges are fair valued using the generally accepted valuation technique of networth criteria and accordingly classified as Level 2.

The associates are valued at cost as per Ind AS 27 Separate Financial Statements and classified as Level 3.

**24. Financial risk management objectives and policies**

The Company's principal financial liabilities comprise Borrowings and interest payable thereon. The Company's financial assets include Investments, Loans and Interest receivable on Loan and Cash and Cash Equivalents that it derive directly from its operations.

**KAJAL SYNTHETICS AND SILK MILLS LIMITED**

CIN: L17110MH1985PLC035204

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

The Company is exposed to credit risk, liquidity risk and market risk. The Company's board of directors has an overall responsibility for the establishment and oversight of the Company's risk management framework..

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed to reflect changes in market conditions and the Company's activities.

The Company's Board of Directors oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

**1) Credit risk**

Credit risk is the risk of financial loss to the Company if a customer fails to meet its contractual obligations and arises principally from the Company's receivables from loans and interest thereon. The carrying amounts of financial assets represent the maximum credit risk exposure.

**Loans**

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each Borrower / Customer; however, management also considers the factors that may influence the credit risk of its customer base including the default risk associated with the industry. The Company's exposure to credit risk for loans and advances is as follows;

| Carrying Amount<br>Particular   | Amount (in Rs.)        |                        |
|---------------------------------|------------------------|------------------------|
|                                 | As at 31st March ,2021 | As at 31st March, 2020 |
| Inter Corporate Loan            | 1978.86 Lakhs          | 1874.80 Lakhs          |
| Non Corporate Loans             | 6.25 Lakhs             | 6.25 Lakhs             |
| Interest Accrued on above Loans | 166.90 Lakhs           | 421.44 Lakhs           |

The Loans are repayable on demand, however an impairment analysis is performed at each reporting date based on the facts and circumstances existing on that date to identify expected losses on account of time value of money and credit risk.

**Cash and cash equivalent**

Credit risk on Cash and Cash Equivalent is limited as the fund are in Current Account.

**2) Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due.

The Company is monitoring its liquidity risk by estimating the future inflows and outflows at the beginning of the year and planned accordingly the funding requirement. The Company manages its liquidity by borrowings, inter-corporate deposits accepted and redemption of investment in mutual funds.

**3) Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices.

Market risk includes interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

**26. Capital Management:**

The Company maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements of the NBFC's Sector regulator and supervisor, RBI. The adequacy of the Company's capital is monitored using, among other measures, the regulations issued by RBI.

The Company has complied in full with all its externally imposed capital requirements over the reported period. Equity share capital and other equity are considered for the purpose of Company's capital management.

The primary objectives of the Company's capital management policy are to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the dividend payment policy, buy back or further issue of capital securities.

No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

**27. Employee Benefits Expense:**

**Defined Benefit Plans**

The gratuity liability is not funded but is ascertained on actuarial basis as per Ind AS 19. There are no other post-retirement benefits provided to employees. The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out at 31 March, 2021. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

The disclosures of employee benefits as defined in Ind AS 19 are given as below:

**Notes:**

- (a) The current service cost recognized as an expense is included in the Note 13 'Employee benefits expense' as gratuity. The remeasurement of the net defined benefit liability is included in other comprehensive income.
- (b) The estimate of future salary increases considered in the actuarial valuation takes into account the rate of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.
- (c) Based on materiality the Company is recognizing the entire liability of Rs. 1,97,490/- (P.Y. Rs. 88,401/-) as non current in Note No.9: Other Non Financial Liability, which includes the portion of current liability of Rs. 921/- (P.Y. Rs. 502/-).

**Note No.28**

**Impairment on Financial Instruments**

**Background of Expected Credit Loss**

Expected Credit loss is a calculation of the present value of the amount expected to be lost on a financial asset, for financial reporting purposes. Credit risk is the potential that the obligor and counterparty will fail to meet its financial obligations to the lender. This requires an effective assessment and management of the credit risk at both individual and portfolio level.

The key components of Credit Risk assessment are:

1. Probability of Default (PD): represents the likelihood of default over a defined time horizon.
2. Exposure at Default (EAD): represents how much the obligor is likely to be borrowing at the time of default.
3. Loss Given Default (LGD): represents the proportion of EAD that is likely to be lost post-default.

The definition of default is taken as 90 days past due for all retail and corporate loans.

Delinquency buckets have been considered as the basis for the staging of all loans in the following manner:

- 0-30 days past due loans classified as stage 1
- Between 31-90 days past due loans classified as stage 2 and
- Above 90 days past due loans classified as stage 3

EAD is the total amount outstanding including accrued interest as on the reporting date.

The ECL is computed as a product of PD, EAD and LGD.

**Non-Individual Loans**

**1.1 Credit Quality of Assets**

The Non-individual/corporate book is assessed at the loan type level and the provisioning is done at an account level, which is in excess of provisioning requirements as per the Master Direction - Core Investment Companies (Reserve Bank) Directions, 2016. In certain cases, the assessment is done at an account level based on past experience for future cash flows from the project.

The 12 month PD has been applied on stage 1 loans. The PD term structure i.e Lifetime PD has been applied on the stage 2 loans according to the repayment schedule for stage 2 loans and PD is considered to be 1 for stage 3 loans.

**INDEPENDENT AUDITORS' REPORT**

**TO THE MEMBERS OF  
KAJAL SYNTHETICS AND SILK MILLS LIMITED**

**Report on the Audit of Consolidated Ind AS Financial Statements**

**Opinion**

We have audited the accompanying Consolidated Ind AS Financial Statements of **KAJAL SYNTHETICS AND SILK MILLS LIMITED** (hereinafter referred to as the "Company") and its Associates, which comprise the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the Consolidated Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information (collectively referred to as 'Consolidated Ind AS Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2021, its consolidated loss and other comprehensive income, its consolidated changes in equity and its consolidated cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the Consolidated Ind AS Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Ind AS Financial Statements.

## Key Audit Matters

Key Audit Matters are those matters that in our professional judgment were of most significance in our audit of the Consolidated Ind AS Financial Statements for the year ended March 31, 2021. These matters were addressed in the context of our audit of the Consolidated Ind AS Financial Statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. ### Other Information

The Company's Board of Directors are responsible for the preparation of other information. The other information comprises the information included in the Boards' Report including Annexures to the Board Report, but does not include the Standalone Ind AS, Consolidated Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management for the Consolidated Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance(including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

The respective Board of Directors of the Company and its Associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and of its Associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Director of the Company, as aforesaid.

In preparing the Consolidated Ind AS Financial Statements, the respective Board of Directors of the Company and of its Associates are responsible for assessing the ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Company and of its Associates are responsible for overseeing the financial reporting process of the Company and of its Associates.

#### **Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Company of which we are independent auditors and whose financial statements we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of the Company and for the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Other Matters

The consolidated Ind AS financial statements include net loss of Rs 4.22 lacs for the year ended 31<sup>st</sup> March, 2021 in respect of its Associates based on their audited financial statements. We did not audit the financial statements and other financial information of Associates, which have been audited by other auditors. These financial statements & other information and auditors' reports have been furnished to us by the Management, and our opinion on the Consolidated Ind AS Financial Statements, in so far as it relates to the amounts and disclosures included in respect of the Associates and our report in terms of sub-section (3) of section 143 of the Act, in so far as it relates to the Associates is based solely on the report of such other auditors.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

## Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on consideration of report of the other auditors on separate financial statements and other financial information of Associates, as noted in the 'Other Matter' paragraph, we report, to the extent applicable, that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS Financial Statements;
  - b) In our opinion, proper books of account as required by law have been maintained by the Company and its Associates including relevant record relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of books and records of the Company and its Associates read with report of the other auditors;
  - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account and records maintained by the Company and its Associates for the purpose of preparation of the Consolidated Ind AS Financial Statements;
  - d) In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

- e) On the basis of written representations received from the directors of the Company and its Associates as on March 31, 2021, and taken on record by the respective Board of Directors, none of the directors of the Company and its Associates is disqualified as on March 31, 2021, from being appointed as a director in terms of Section 164 (2) of the Act;
- f) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
- g) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls relevant to the Company's preparation of the Consolidated Ind AS Financial Statements, we refer to Annexure-A of our report of even date on the Consolidated Ind AS Financial Statements of the Company; and
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us, we report that:
- i) There were no pending litigations which would impact the consolidated financial position of the Company and its Associates.
- ii) The Company and its Associates did not have any material foreseeable losses on long-term contracts including derivative contracts.
- iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company and its Associates.

**Annexure A to Independent Auditors' Report**

**(Referred to in paragraph (g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of Kajal Synthetics and Silk Mills Limited ("the Company") and its Associates as of March 31, 2021 in conjunction with our audit of the consolidated Ind AS financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Company and its Associates, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company & its Associates considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act")

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's and its Associates internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these consolidated Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and in terms of other auditor's report referred to in paragraph (a) of the Other Matters below, the audit evidence obtained by them, is sufficient and appropriate to provide a basis for our audit opinion on the Company and its Associates internal financial controls system over financial reporting with reference to these consolidated financial statements.

#### **Meaning of Internal Financial Controls over Financial Reporting with reference to consolidated financial statements**

A company's internal financial control over financial reporting with reference to consolidated financial statement is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to consolidated financial statements**

Because of the inherent limitations of internal financial controls over financial reporting with reference to consolidated financial statements including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting with reference to consolidated Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

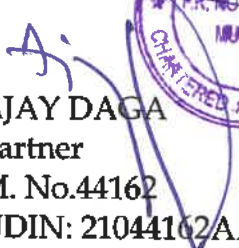

## Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on auditor's report of Associates, the Company and its Associates, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting with reference to these consolidated Ind AS financial statements and such internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting with reference to these consolidated Ind AS financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

## Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements of the Company, in so far as it relates to Associates, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies.

**CIN: L17110MH1985PLC035204**

**Notes to the Consolidated Financial Statements as at and for the year ended March 31, 2021**

These notes form an integral part of and should be read in conjunction with the accompanying standalone financial statements.

**Corporate information**

Kajal Synthetics and Silk Mills Limited (the Company) is domiciled in India and is incorporated under the provisions of the Companies Act, 1956 having Corporate Identity Number L17110MH1985PLC035204. Its shares are listed on Bombay Stock Exchange in India. The Company is engaged in the activity of Finance & Investment. The principal place of business of the Company is at Sonawala, 1<sup>st</sup> Floor, 29, Bank Street, Fort, Mumbai, Maharashtra.

**1. BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of preparation of Consolidated financial statements**

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by the Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and other relevant provisions of the Act. Any application guidance/clarifications/ directions issued by RBI or other regulators are implemented as and when they are issued/ applicable. These Consolidated financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these consolidated financial statements.

The Financial statements have been prepared on a going concern basis. The Company presents its balance sheet in order of Liquidity.

**i. Principles of Consolidation**

- a) The Consolidated financial statements of the Company and its associates have been prepared in accordance with the Ind AS 110 'Consolidated financial statements' and Ind AS - 28 "Investment in Associates" notified under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

**KAJAL SYNTHETICS AND SILK MILLS LIMITED**  
**CIN: L17110MH1985PLC035204**

**Notes to the Consolidated Financial Statements as at and for the year ended March 31, 2021**

- b) The consolidated financial statements have been prepared on the following basis:

Investments in associates are accounted under equity method as per Ind AS - 28 "Investment in Associates". Under the equity method, the investment is initially recorded at cost, identifying goodwill/capital reserve arising at the time of acquisition and the carrying amount is increased/ decreased to recognize Company's share of profits/losses of the associates after the date of acquisition. Goodwill/Capital reserve arising on acquisition of the associates is included in the carrying amount of the respective investments. Unrealized profits resulting from transactions between the Company and the associates are eliminated to the extent of Company's interest in the associates. Unrealized losses resulting from intra-group transactions have also been eliminated except to the extent that recoverable value of related assets is lower than their cost to the Company.

- c) The Consolidated financial statements are presented, to the extent possible, in the same format as that adopted by the Company for its separate standalone financial statements.
- d) The Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances to the extent possible.
- e) The companies considered in the Consolidated financial statements are listed below:-

**Notes:**

**Capital Reserve :**

This reserve represents the amount received under Amnesty Scheme of 1991.

**Statutory Reserve :** Special reserve represents the reserve created pursuant to the Reserve Bank of India Act, 1934 (the "RBI Act"). Appropriation from this Reserve Fund is permitted only for the purposes specified by the RBI.

**General Reserve**

General Reserve is the amount of transfers from profit of the Company .

**Impairment Reserve**

Where impairment allowance under Ind AS 109 is lower than the provisioning required under IRACP (including standard asset provisioning), NBFCs are required to appropriate the difference from their net profit or loss after tax to a separate 'Impairment Reserve'. The balance in the 'Impairment Reserve' is not reckoned for regulatory capital. Further, no withdrawals are permitted from this reserve without prior permission from the Department of Supervision, RBI.

**Retained Earnings**

Retained Earnings are the profits the Company has earned till date less any transfers to general reserve, dividends , impairment reserve, other distributions paid to shareholders.

**Equity Instruments through Other Comprehensive Income :** This represents the cumulative gains and losses arising on the fair valuation of equity instruments measured at fair value through other comprehensive income. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are de-recognised.

The carrying amount of the investments in Associates are valued at Cost.

The management assessed that cash and cash equivalents and bank balances, other financial assets, certain investments, and other current liabilities approximate their fair value.

Notes 23

**B. Measurement of fair values**

i) Valuation techniques and significant unobservable inputs The carrying amounts of financial assets and liabilities which are at amortised cost are considered to be the same as Their fair values as there is no material differences in the carrying values presented.

ii) Financial instruments - fair value

The fair value of financial instruments as referred to in note (A) above have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurement).

The categories used are as follows:

-Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

-Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. prices) or indirectly (i.e. derived from prices).

-Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of a fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

iii) Transfers between levels I and II

There has been no transfer in between level I and level II.

iv) Valuation techniques

**Investment in equity instruments**

The majority equity instruments held by the Company are actively traded on stock exchanges with readily available active prices on a regular basis. Such instruments are classified as level 1.

Investments in mutual Funds are valued as per the NAV prevailing at the end of the financial year and such investments are classified as level 1.

Equity investments in unquoted instruments and some quoted equity instruments which are not actively traded on stock exchanges are fair valued using the generally accepted valuation technique of networth criteria and accordingly classified as Level 2.

**24. Financial risk management objectives and policies**

The Company's principal financial liabilities comprise Borrowings. The Company's financial assets include Investments, Loans, Interest receivable on Loan and Cash and Cash Equivalents that it derive directly from its operations.

The Company is exposed to credit risk, liquidity risk and market risk. The Company's board of directors has an overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed to reflect changes in market conditions and the Company's activities.

The Company's Board of Directors oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

**1) Credit risk**

Credit risk is the risk of financial loss to the Company if a customer fails to meet its contractual obligations and arises principally from the Company's receivables from customers and loans. The carrying amounts of financial assets represent the maximum credit risk exposure.

**Loans**

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each Borrower / Customer; however, management also considers the factors that may influence the credit risk of its customer base. Including the default risk associated with the industry. The Company's exposure to credit risk for loans and advances is as follows;

| Carrying Amount                 | Amount (in Rs.)           |                           |
|---------------------------------|---------------------------|---------------------------|
| Particular                      | As at 31st<br>March, 2021 | As at 31st<br>March, 2020 |
| Inter Corporate Loan            | 1978.86 Lakhs             | 1874.80 Lakhs             |
| Non Corporate Loans             | 6.25 Lakhs                | 6.25 Lakhs                |
| Interest Accrued on above Loans | 166.90 Lakhs              | 421.44 Lakhs              |

The Loans are repayable on demand, however an impairment analysis is performed at each reporting date based on the facts and circumstances existing on that date to identify expected losses on account of time value of money and credit risk. For the purposes of this analysis, the trade receivables are categorised into groups based on days past due.

### Cash and cash equivalent

Credit risk on Cash and Cash Equivalent is limited as the fund are in Current Account.

### 2) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due.

The Company is monitoring its liquidity risk by estimating the future inflows and outflows at the beginning of the year and planned accordingly the funding requirement. The Company manages its liquidity by borrowings, inter-corporate deposits accepted and redemption of investment in mutual funds.

The table below summarises the maturity profile of the Company's non-derivative financial liabilities based on contractual undiscounted payments along with its carrying value as at the balance sheet date.

### 3) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices.

Market risk includes interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2021

**26. Capital Management:**

The Company maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements of the NBFC's Sector regulator and supervisor, RBI. The adequacy of the Company's capital is monitored using, among other measures, the regulations issued by RBI.

The Company has complied in full with all its externally imposed capital requirements over the reported period. Equity share capital and other equity are considered for the purpose of Company's capital management.

The primary objectives of the Company's capital management policy are to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the dividend payment policy, buy back or further issue of capital securities.

No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

**27. Employee Benefit Expense:**

**Defined Benefit Plans**

The gratuity liability is not funded but is ascertained on actuarial basis as per IndAS 19.

There are no other post-retirement benefits provided to employees. The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out at 31 March 2021. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

Notes:

(a) The current service cost recognized as an expense is included in the Note 13 'Employee benefits expense' as gratuity. The remeasurement of the net defined benefit liability is included in other comprehensive income.

(b) The estimate of future salary increases considered in the actuarial valuation takes into account the rate of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

(c) Based on materiality the Company is recognizing the entire liability of Rs. 1,97,490/- (P.Y. Rs. 88,401/-) as non current in Note No.9: Other Non Financial Liability, which includes the portion of current liability of Rs. 921/- (P.Y. Rs. 502/-).

**Note No.28**

**Impairment on Financial Instruments**

**Background of Expected Credit Loss**

Expected Credit loss is a calculation of the present value of the amount expected to be lost on a financial asset, for financial reporting purposes. Credit risk is the potential that the obligor and counterparty will fail to meet its financial obligations to the lender. This requires an effective assessment and management of the credit risk at both individual and portfolio level.

The key components of Credit Risk assessment are:

1. Probability of Default (PD): represents the likelihood of default over a defined time horizon.
2. Exposure at Default (EAD): represents how much the obligor is likely to be borrowing at the time of default.
3. Loss Given Default (LGD): represents the proportion of EAD that is likely to be lost post-default.

The definition of default is taken as 90 days past due for all retail and corporate loans.

Delinquency buckets have been considered as the basis for the staging of all loans in the following manner:

- 0-30 days past due loans classified as stage 1
- Between 31-90 days past due loans classified as stage 2 and
- Above 90 days past due loans classified as stage 3

EAD is the total amount outstanding including accrued interest as on the reporting date.  
The ECL is computed as a product of PD, EAD and LGD.

**Non-Individual Loans**

**1.1 Credit Quality of Assets**

The Non-individual/corporate book is assessed at the loan type level and the provisioning is done at an account level, which is in excess of provisioning requirements as per the Master Direction - Core Investment Companies (Reserve Bank) Directions, 2016. In certain cases, the assessment is done at an account level based on past experience for future cash flows from the project.

The 12 month PD has been applied on stage 1 loans. The PD term structure i.e Lifetime PD has been applied on the stage 2 loans according to the repayment schedule for stage 2 loans and PD is considered to be 1 for stage 3 loans.
